Scientometrics, Vol. 25, No. 3 (1992) 467-469

Index to Volume 25

No. 1

L. Egghe, I.K. Ravichandra Rao (Diepenbeek and Wilrijk, Belgium and Bangalore, India)
Classification of Growth Models Based on Growth Rates and its Application 5

Marie-Jeanne Leemans, Marleen Maes, R. Rousseau, Christel Ruts (Wilrijk, Belgium)
The Negative Binomial Distribution as a Trend Distribution for Circulation Data in Flemish Public Libraries 47

P. Reyniers (Leuven, Belgium)
Facts and Figures on Interlibrary Lending in Dutch-Speaking Belgium in 1989 59

R. Rousseau (Wilrijk, Belgium)
Category Theory and Informetrics: Information Production Processes 77

J. van Borm (Antwerp, Belgium)
From Interlibrary Lending Statistics to Clearinghouse: the Use of Ill Statistics in Belgium 89

E. de Smet (Antwerp, Belgium)
Information Behaviour in a Scientific-Technical Environment: a Survey with Innovation Engineers 101

J.C.J. Dierick (Wilrijk, Belgium)
Determining the Lotka Parameters by Sampling 115

M. Dorban, A.F. Vandevenne (Louvain-la-Neuve, Belgium)
Bibliometric Analysis of Bibliographic Behaviours in Economic Sciences 149

L. Egghe (Diepenbeek and Wilrijk, Belgium)
Generalized Transfer Principles in Econometrics and Informetrics 167

Short Communications

R. Philips (Antwerp, Belgium)
Pseudo-Metrics on Bibliographic Entities 193

F. Provost, P. Lieuwenhuysen (Brussel, Belgium)
Measuring Overlap of Data Bases in Water Supply and Sanitation Using Sampling and the Binomial Probability Distribution 201

Elsevier, Amsterdam – Oxford – New York – Tokyo
Akadémiai Kiadó

INDEX TO VOLUME 25

No. 2

T. Braun, Hajnalka Maczelka, A. Schubert (Budapest, Hungary)
World Flash on Basic Research. Scientometric Indicators Datafiles. Summary Statistics and Trendlines of Major Geopolitical Regions, 1980-1989 211

W. Glänzel, M. Winterhager (Bielefeld and Bonn, Germany)
World Flash on Basic Research. International Collaboration of Three East European Countries with Germany in the Sciences, 1980-1989 219

H. Chu (Philadelphia, PA, USA)
Communication between Chinese and Non-Chinese Scientists in the Discovery of High-Tc Superconductor: I. The Formal Perspective 229

H. Chu (Philadelphia, PA, USA)
Communication between Chinese and Non-Chinese Scientists in the Discovery of High-Tc Superconductor: II. The Informal Perspective 253

Ch. Huot, L. Quoniam, H. Dou (Paris and Marseille, France)
A New Method for Analysing Downloaded Data for Strategic Decision 279

L. Leydesdorff (Amsterdam, The Netherlands)
A Validation Study of "Leximappe" 295

J.-P. Courtial (Paris, France)
Comments on Leydesdorff's "A Validation Study of Leximappe" 313

L. Leydesdorff (Amsterdam, The Netherlands)
A Reply to Courtial's Comments 317

Y. Okubo, J.F. Miquel, L. Frigoletto, J.C. Dore (Paris, France)
Structure of International Collaboration in Science: Typology of Countries Through Multivariate Techniques Using a Link Indicator 321

G. Johnes, Jill Johnes (Lancaster, United Kingdom)
Apples and Oranges: The Aggregation Problem in Publications Analysis 353

Short Communications

Hajnalka Maczelka, S. Zsindely (Budapest, Hungary)
All Well if Starts Well? Citation Infancy of Recently Launched Chemistry Journals 367

No. 3

W. Glänzel, A. Schubert (Budapest, Hungary)
World Flash on Basic Research. Some Facts and Figures on Highly Cited Papers in the Sciences, 1981-1985 373

G. Czapski, A. Frenkel, D. Kohn, A. Shoham (Haifa, Israel)
Cooperation Between Israeli and Foreign Researchers 381

A.K. Formann (Vienna, Austria)
Personnel Selection: Description and Prognosis of the Decision Made by the Committee for the Selection of Candidates for a Full Professorship 401

A. Pouris (Pretoria, Republic of South Africa)
Economic Sanctions and R & D 415

Maria Bordons, S. Barrigón (Madrid, Spain)
Bibliometric Analysis of Publications of Spanish Pharmacologists in the SCI (1984-1989). II. Contribution to Subfields Other than "Pharmacology & Pharmacy" (ISI) 425

F. Anderson, R. Dalpé (Montréal, Canada)
A Profile of Canadian Coal and Petroleum Research Communities 447

Announcement 465
